

Continuing Education Programs  
for Pharmacists

# PharmEd

Wednesday, October 25, 2017

## Flushing, NY

Sheraton LaGuardia East Hotel  
135-20 39th Avenue, Flushing, NY 11354

- \$119 Registration Fee includes Credits and Food
- Earn up to 7.5 Credits
- Individually ACPE Accredited Programs (Attend one or all seminars!)
- Continental Breakfast, Lunch & Afternoon Refreshments
- Meet with Industry Representatives for Product Information

### Upcoming PharmEd Programs in Your Area

October 3, 2017 • Cromwell, CT

November 7, 2017 • Westford, MA

December 7, 2017 • Randolph, MA

### Participant Requirements and Statement of Credit:

To receive credit, participants must fully attend each session (no partial credit will be awarded), pass in a completed attendance verification form, and using the access code provided, complete the online evaluation for each session attended. Attendance will be verified. All participants will have the opportunity to evaluate the educational sessions and presenters as well as the ability to identify their future educational needs.

**Pharmacists:** CE credit will be automatically uploaded to CPE Monitor upon completion of the evaluation and posted to the participant's NABP account within 72 hours where an official certificate of credit can be printed. Evaluations must be completed within 60 days of program date to receive credit. Starting January 1, 2018 ACPE will be charging a \$200 fee for any credits submitted into the CPE Monitor after 60 days. It is the participant's responsibility to complete all activity evaluations and confirm that credits are in the CPE Monitor after attending an activity.

### Statement of Disclosure:

Disclosure will be made on the day of the program regarding any interest or affiliation a speaker may have with any commercial interest as well as any commercial support received for this conference.

### Refund Policy:

A full refund will be provided only if a written request is received by American Health Resources, Inc. at least 48 hours prior to the program or if the program is cancelled. American Health Resources, Inc. reserves the right to change the presenters, topics or seminar schedules.

**Educational Supporter:**

**Supported by an Independent Educational Grant From:**

**Boehringer Ingelheim  
Pharmaceuticals, Inc.  
Lilly USA, LLC.**

## Please Check All Programs You Plan to Attend:

- 8:00 a.m.- 8:30 a.m. Registration
- 8:30 a.m.- 10:00 a.m. Caring for the Patient with Celiac Disease (0.15 CEUs)
- 10:30 a.m.- 12:00 p.m. A Pharmacotherapeutic Approach to the Infected Patient and the Role of Antimicrobial Stewardship (0.15 CEUs)
- 12:00 p.m.- 1:00 p.m. Lunch  *Vegetarian Lunch Requested*
- 1:00 p.m.- 3:00 p.m. A Case Based Approach to the Management of Type 2 Diabetes (0.2 CEUs)
- 3:00 p.m.- 4:00 p.m. Contemporary Issues in Patient Safety and Error Prevention (0.1 CEU)
- 4:00 p.m.- 5:30 p.m. Pre-Exposure Prophylaxis (PrEP) for HIV (0.15 CEUs)

---

**Caring for the Patient with Celiac Disease****8:30 a.m. – 10:00 a.m.****Presenter:** Robert A. Mangione, EdD; Provost and Vice President for Academic Affairs, Professor of Pharmacy, St. John's University, Jamaica, NY**Learning Objectives:**

- Describe the epidemiology, etiology, pathophysiology and diagnostic work-up for patients with celiac disease and the difference between celiac disease and non-celiac gluten sensitivity.
- Discuss the relationship between common misdiagnoses in patients with celiac disease, disorders “caused” by celiac disease and disorders “associated” with celiac disease.
- Recognize how medications may be a “hidden” and potentially significant source of gluten and how to check for the gluten content of medications.
- Explain why patients with celiac disease must maintain a strict life-long gluten-free diet/lifestyle.
- Review acute and long-term health issues associated with celiac disease and how the pharmacist may assist patients in managing these concerns.
- Discuss research being done on new therapeutic interventions for the management of celiac disease.

**ACPE UAN:** 0280-0000-17-083-L01-P **Knowledge Based Credits:** 1.5 **Contact Hours (0.15 CEUs)**

---

**A Pharmacotherapeutic Approach to the Infected Patient and the Role of Antimicrobial Stewardship****10:30 a.m. – 12:00 p.m.****Presenter:** Joseph M. Brocovich, PharmD; Senior Associate Dean for Pharmacy, Associate Clinical Professor, College of Pharmacy and Health Sciences, St. John's University, Queens, New York**Learning Objectives:**

- Describe the interaction between the patient, the organism and the antimicrobial agent as it applies to an appropriate outcome for the patient.
- Identify significant patient factors as they pertain to this population.
- List the common microbes associated with infections in humans.
- Discuss the selection of an appropriate antibiotic regimen based on efficacy, toxicity and cost considerations.
- Establish monitoring parameters for each patient.
- Discuss the rationale and expectations of an antimicrobial stewardship program.

**ACPE UAN:** 0280-0000-17-084-L01-P **Knowledge Based Credits:** 1.5 **Contact Hours (0.15 CEUs)**

---

**A Case Based Approach to the Management of Type 2 Diabetes****1:00 p.m. – 3:00 p.m.****Presenters:** Jennifer Goldman, PharmD, CDE, BC-ADM, FCCP; Professor of Pharmacy Practice, MCPHS University; Clinical Pharmacist, Well Life Medical, Peabody, MA**Learning Objectives:**

- Compare, contrast and apply newly released American Diabetes Association and American Association of Clinical Endocrinologists guidelines for glycemic management in patients with type 2 diabetes.
- Describe the pharmacokinetic and pharmacodynamic differences of the SGLT-2 inhibitors, GLP-1RAs, DPP4 inhibitors, and basal insulins, and their roles within the guidelines.
- Evaluate current data of combination therapy, including fixed-ratio agents, based on efficacy, dosage form, and complementary actions.
- Utilizing patient cases, formulate evidence-based treatment regimens that optimize both fasting and post-prandial glucose and A1C reduction.

**ACPE UAN:** 0280-0000-17-086-L01-P **Application Based Credits:** 2 **Contact Hours (0.2 CEUs)**

---

**Contemporary Issues in Patient Safety and Error Prevention****3:00 p.m. – 4:00 p.m.****Presenter:** Joseph V. Etzel, PharmD; Associate Dean for Student Affairs, Associate Clinical Professor of Pharmacy, College of Pharmacy and Health Sciences, St. John's University, Jamaica, NY**Learning Objectives:**

- Estimate the incidence of medical errors and their contribution to morbidity and mortality in the United States.
- Differentiate between human error, at-risk behavior, and reckless behavior with regards to medical errors.
- Explain how differences in human perception may result in medication errors.
- Discuss means of avoiding errors due to look-alike, sound-alike medications.
- Explain how the implementation of technology can introduce new errors into pharmacy practice.

**ACPE UAN:** 0280-0000-17-085-L05-P **Knowledge Based Credits:** 1.0 **Contact Hour (0.1 CEU)**

---

**Pre-Exposure Prophylaxis (PrEP) for HIV****4:00 p.m. – 5:30 p.m.****Presenter:** John M. Conry, PharmD, AAHIVP, FNAP; Clinical Professor and Chair Department of Clinical Health Professions, Director, The Urban Institute; College of Pharmacy and Health Sciences, St. John's University; Pharmacy Champion, NYSDOH AIDS Institute Clinical Education Initiative**Learning Objectives:**

- Summarize the NYS and CDC Guidelines for Pre-Exposure Prophylaxis (PrEP).
- Discuss the efficacy of PrEP in different populations.
- Identify challenges with PrEP.
- Discuss important counseling points for patients receiving prescriptions for PrEP.

**ACPE UAN:** 0280-9999-17-087-L02-P **Knowledge Based Credits:** 1.5 **Contact Hour (0.15 CEUs)**
