American Health Resources, Inc.

130 Liberty St., Suite 13A, Brockton, MA 02301

Tel. 508-588-7700 • Fax 508-588-7701 • www.AHRevents.com

Participant Requirement and Statement of Credit: To receive credit, participants must fully attend each session (no partial credit will be awarded), pass in a completed attendance verification form, and using the access code provided, complete the online evaluation for each session attended. Attendance will be verified. All participants will have the opportunity to evaluate the educational sessions and presenters as well as the ability to identify their future educational needs.

Pharmacists: CE credit will be automatically uploaded to CPE Monitor upon completion of the evaluation and posted to the participant’s NABP account within 72 hours where an official certificate of credit can be printed. Evaluations must be completed within 60 days of program date to receive credit.

Starting January 1, 2018 ACPE will be charging a \$200 fee for any credits submitted into the CPE Monitor after 60 days. It is the participant’s responsibility to complete all activity evaluations and confirm that credits are in the CPE Monitor after attending an activity.

Statement of Disclosure: Disclosure will be made on the day of the program regarding any interest or affiliation a speaker may have with any commercial interest as well as any commercial support received for this conference.

Refund Policy: A full refund will be provided only if a written request is received by American Health Resources, Inc. at least 48 hours prior to the program or if the program is cancelled. American Health Resources, Inc. reserves the right to change the presenters, topics or seminar schedules.

 American Health Resources, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

COURSE DESCRIPTION

The “Do This, Not That” of Chronic Pain Management: Emphasizing the Role of Nonopioid and Nonpharmacologic Therapies **8:30 a.m. – 10:00 a.m.**

Presenter: Michele L. Matthews, PharmD, CPE, BCACP, FASHP

Associate Professor of Pharmacy Practice, MCPHS University; Advanced Practice Pharmacist – Pain Management, Brigham and Women’s Hospital

Learning Objectives:

- Compare and contrast nonopioid analgesic and nonpharmacologic therapies for the management of chronic noncancer pain.
- Evaluate pharmacotherapeutic regimens for efficacy and safety in patients with chronic noncancer pain.
- Given patient-specific information, design a care plan that addresses appropriate therapeutic goals for the management of chronic noncancer pain.

ACPE UAN: 0280-0000-17-088-L01-P Application Based Credit : 1.5 Contact Hours (0.15 CEUs)

Improving Outcomes for Patients with COPD: Opportunities for the Pharmacist **10:30 a.m. – 12:30 p.m.**

Presenter: Timothy Hudd, BS, PharmD, AE-C Associate Professor of Pharmacy Practice, School of Pharmacy-Boston, Massachusetts College of Pharmacy and Health Sciences University

Learning Objectives:

- Discuss the clinical presentation and spirometry parameters used in the diagnosis of COPD.
- Utilizing the 2017 GOLD Report, select the appropriate treatment regimen based on patient specific factors and disease assessment.
- Implement pharmacist driven interventions which can improve health status and reduce future exacerbations.
- Demonstrate and evaluate the proper use of various inhalation devices to support patient self-management education

ACPE UAN: 0280-0000-17-089-L01-P Application Based Credits: 2 Contact Hours (0.2 CEUs)

A Case Based Approach to the Management of Type 2 Diabetes **1:30 p.m. – 3:30 p.m.**

Presenter: Jennifer Goldman, PharmD, CDE, BC-ADM, FCCP; Professor of Pharmacy Practice, MCPHS University; Clinical Pharmacist, Well Life Medical, Peabody, MA

Learning Objectives:

- Compare, contrast and apply newly released American Diabetes Association and American Association of Clinical Endocrinologists guidelines for glycemic management in patients with type 2 diabetes.
- Describe the pharmacokinetic and pharmacodynamic differences of the SGLT-2 inhibitors, GLP-1RAs, DPP4 inhibitors, and basal insulins, and their roles within the guidelines.
- Evaluate current data of combination therapy, including fixed-ratio agents, based on efficacy, dosage form, and complementary actions.
- Utilizing patient cases, formulate evidence-based treatment regimens that optimize both fasting and post-prandial glucose and A1C reduction.

ACPE UAN: 0280-0000-17-081-L01-P Application Based Credits: 2.0 Contact Hours (0.2 CEUs)

Original offering 10/3/2017

Hey USP<800>! You Talkin’ to Me? (Law credit) **3:30 p.m. – 4:30 p.m.**
